**6700 PETROLEUM UST SYSTEMS**

- 6700.1 The provisions of this chapter shall apply to all owners and operators of petroleum underground storage tank (UST) systems, except as otherwise provided in this section.
- 6700.2 State and federal government entities whose debts and liabilities are the debts and liabilities of a state or the United States or the District of Columbia government are exempt from the requirements of this section.
- 6700.3 The requirements of this chapter do not apply to owners or operators of any UST system described in §5501.3, 5502.1 or 5503.
- 6700.4 If the owner and operator of a petroleum underground storage tank are separate persons, only the owner shall be required to demonstrate financial responsibility; however, both the owner and operator shall be liable for noncompliance.
- 6700.5 An owner shall not be required to maintain financial responsibility under this section for an UST system after the UST system has been properly closed, in accordance with Chapter 61.

- 6700.6 If corrective action is required before an UST or UST system is closed, the corrective action shall be completed in accordance with the applicable requirements of Chapter 62. After corrective action has been completed and the tank has been properly closed in accordance with Chapter 61, the owner shall no longer be required to demonstrate financial responsibility.
- 6700.7 The amounts of demonstrated financial responsibility assurance required under this section shall not include legal defense costs.
- 6700.8 The owner of one or more existing petroleum UST(s), who has not previously filed a Certification of Financial Responsibility with the Director, shall immediately file such a Certification of Financial Responsibility as described in §6702.7, since all UST owners have been required to comply with the federal financial responsibility requirements since December 31, 1993, or earlier.
- 6700.9 Within thirty (30) days after installation of a new UST, the owner of the petroleum UST shall file with the Director a Certification of Financial Responsibility as described in §6702.7.
- 6700.10 The owner of a petroleum UST system shall demonstrate financial responsibility for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum underground storage tanks in the per-occurrence amount of at least one million dollars (\$1,000,000):
- (a) For a petroleum UST that is located at a petroleum marketing facility; and
  - (b) For a petroleum UST that handles an average of more than ten thousand (10,000) gallons of petroleum per month based on annual throughput for the previous calendar year.
- 6700.11 The owner of a petroleum UST system not covered under §6700.10 shall demonstrate financial responsibility for taking corrective action and compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum UST systems in the per-occurrence amount of five hundred thousand dollars (\$500,000).
- 6700.12 The owner of each petroleum UST shall demonstrate financial responsibility for taking corrective action and for compensating third parties for bodily injury and property damage caused by accidental releases arising from the operation of petroleum underground storage tanks in at least the following annual aggregate amounts:
- (a) The owner of one (1) to one hundred (100) petroleum UST's shall demonstrate financial responsibility in the amount of one million dollars (\$1,000,000); and
  - (b) The owner of one-hundred-one (101) or more petroleum UST's shall demonstrate financial responsibility in the amount of two million dollars (\$2,000,000).

- 6700.13 For the purposes of §6700.12 and §6700.16 only, the term “petroleum UST” means a single containment unit and does not mean combinations of single containment units.
- 6700.14 Except as provided in §6700.15 of this section, if an owner uses separate mechanisms or separate combinations of mechanisms to demonstrate financial responsibility (for example, self-insurance for taking corrective action, liability insurance for compensating third parties for bodily injury and property damage caused by sudden accidental releases, and a separate policy of insurance for compensating third parties for bodily injury and property damage caused by non-sudden accidental releases), the amount of assurance provided by each separate mechanism or combination of mechanisms used for each purpose shall be in the full amount specified in §§6700.10, 6700.11 and 6700.12 of this section.
- 6700.15 If an owner uses separate mechanisms or separate combinations of mechanisms to demonstrate financial responsibility for different UST’s, the annual aggregate amount required under §6700.12 shall be based on the number of tanks covered by each separate mechanism or separate combination of mechanisms.
- 6700.16 Owners shall review the amount of aggregate assurance provided whenever one (1) or more additional petroleum UST’s are acquired or installed. If, after review, the number of petroleum UST’s for which financial responsibility must be demonstrated exceeds one hundred (100), the owner shall comply with the requirements of §6700.12(b) of this section (at least two million dollars (\$2,000,000) annual aggregate) by the anniversary of the date on which the mechanism demonstrating financial responsibility became effective. If financial responsibility is being demonstrated by a combination of mechanisms, the owner shall demonstrate financial responsibility in the amount of at least two million dollars (\$2,000,000) of annual aggregate assurance by the first-occurring effective date anniversary of any one of the mechanisms combined (other than a financial test or guarantee) to provide assurance.
- 6700.17 The per-occurrence and annual aggregate coverage amounts required under this section shall not in any way limit the liability of the owner or operator.

## **6701 FINANCIAL RESPONSIBILITY MECHANISMS**

- 6701.1 Subject to the limitations of §§6701.2 and 6701.3 of this section, the owner of a petroleum UST system may use any single mechanism or combination of mechanisms listed in §§6703 through 6711 to demonstrate financial responsibility under this chapter for one (1) or more UST’s.

- 6701.2 An owner may use a guarantee or surety bond to establish financial responsibility only if the Corporation Counsel of the District of Columbia has submitted a written statement to the Director that the guarantee or surety bond executed as described in this section is a legally valid and enforceable obligation in the District of Columbia.
- 6701.3 An owner may use self-insurance in combination with a guarantee only if, for the purpose of meeting the requirements of the financial test under §§6703 through 6705, the financial statements of the owner or operator are not consolidated with the financial statements of the guarantor.
- 6701.4 Subject to the requirements of §§6701.5 and 6701.6, an owner may substitute any alternate financial assurance mechanism or combination of mechanisms specified in §§6703 through 6710 for a financial assurance mechanism currently in place.

- 6701.7 An owner shall obtain alternate assurance of financial responsibility within thirty (30) days after the owner receives notice of any of the following:

The Trustee.”

Whereas, the Department of Health (DOH) an agency of the District of Columbia Government, has established certain regulations applicable to the Grantor, requiring that an owner or operator of an underground storage tank shall provide assurance that funds will be available when needed for corrective action and third-party compensation for bodily injury and property damage caused by sudden and nonsudden accidental releases arising from the operation of the underground storage tank. The attached Schedule A lists the number of tanks at each facility and the name(s) and address(es) of the facility(ies) where the tanks are located that are covered by the standby trust agreement.

[Whereas, the Grantor has elected to establish

\_\_\_\_\_  
[Insert either “a guarantee,” “surety bond,” or “letter of credit”]

to provide all or part of such financial assurance for the underground storage tanks identified herein and is required to establish a standby trust fund able to accept payments from the instrument (This paragraph is only applicable to the standby trust agreement.);

Whereas, the Grantor, acting through its duly authorized officers, has selected the Trustee to be the trustee under this agreement, and the Trustee is willing to act as trustee; Now, therefore, the Grantor and the Trustee agree as follows:

**SECTION 1. DEFINITIONS**

As used in this Agreement:

- (a) The term “Grantor” means the owner who enters into this Agreement and any successors or assigns of the Grantor.
- (b) The term “Trustee” means the Trustee who enters into this Agreement and any successor Trustee.

**SECTION 2. IDENTIFICATION OF THE FINANCIAL ASSURANCE MECHANISM**

This Agreement pertains to the

\_\_\_\_\_  
[identify the financial assurance mechanism, either a guarantee, surety bond, or

letter of credit, from which the standby trust fund is established to receive payments (This paragraph is only applicable to the standby trust agreement)].

### **SECTION 3. ESTABLISHMENT OF FUND**

The Grantor and the Trustee hereby establish a trust fund, the “Fund,” for the benefit of [the Department]. The Grantor and the Trustee intend that no third-party have access to the Fund except as herein provided. [The Fund is established initially as a standby to receive payments and shall not consist of any property.] Payments made by the provider of financial assurance pursuant to the Director’s instruction are transferred to the Trustee and are referred to as the Fund, together with all earnings and profits thereon, less any payments or distributions made by the Trustee pursuant to this Agreement. The Fund shall be held by the Trustee, IN TRUST, as hereinafter provided. The Trustee shall not be responsible nor shall it undertake any responsibility for the amount or adequacy of, nor any duty to collect from the Grantor as provider of financial assurance, any payments necessary to discharge any liability of the Grantor established by the Director.

### **SECTION 4. PAYMENT FOR [“CORRECTIVE ACTION” OR “THIRD-PARTY LIABILITY CLAIMS”]**

The Trustee shall make payments from the Fund as the Director shall direct, in writing, to provide for the payment of the costs of

[insert: “taking corrective action” or “compensating third parties for bodily injury and property damage caused by” either “sudden accidental releases” or “nonsudden accidental releases” or “accidental releases”]

arising from operating the tanks or covered by the financial assurance mechanism identified in the Agreement.

The Fund may not be drawn upon to cover any of the following:

- (a) Any obligation of \_\_\_\_\_ under a workers’ compensation, disability benefits, or unemployment compensation law or other similar law;  
[insert owner or operator]
- (b) Bodily injury to any employee of \_\_\_\_\_ arising from, and in the course of employment by \_\_\_\_\_;  
[owner or operator]  
[insert owner or operator]
- (c) Bodily injury or property damage arising from the ownership, maintenance, use, or entrustment to others of any aircraft, motor vehicle, or watercraft;
- (d) Property damage to any property owned, rented, loaned to, in the care, custody, or control of, or occupied by \_\_\_\_\_ that is not the direct result of a release from a petroleum [insert owner or operator] underground storage tank;
- (e) Bodily injury or property damage for which \_\_\_\_\_ is obligated to pay damages by reason \_\_\_\_\_  
[owner or operator]  
of the assumption of liability in a contract or agreement other than a contract or agreement entered into to meet the requirements of §§6700.10 through 6700.17 of this chapter.

The Trustee shall reimburse the Grantor, or other persons as specified by the Department, from the Fund for corrective action expenditures or third-party liability claims in such amounts as the Director shall direct in writing. In addition, the Trustee shall refund to the Grantor such amounts as the Director specifies in writing. Upon refund, such funds shall no longer constitute part of the Fund as defined herein.

**SECTION 5. PAYMENTS COMPRISING**

Payments made to the Trustee for the Fund shall consist of cash and securities acceptable to the Trustee.

**SECTION 6. TRUSTEE MANAGEMENT**

The Trustee shall invest and reinvest the principal and income of the Fund and keep the Fund invested as a single fund, without distinction between principal and income, in accordance with general investment policies and guidelines which the Grantor may communicate in writing to the Trustee from time-to-time, subject, however, to the provisions of this section. In investing, reinvesting, exchanging, selling, and managing the Fund, the Trustee shall discharge his or her duties with respect to the trust fund solely in the interest of the beneficiaries and with the care, skill, prudence, and diligence under the circumstances then prevailing which persons of prudence, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims; except that:

- (a) Securities or other obligations of the Grantor, or any other owner or operator of the tanks, or any of their affiliates as defined in the Investment Company Act of 1940, as amended, 15 U.S.C. 80a-2(a), shall not be acquired or held, unless they are securities or other obligations of the federal or a state government;
- (b) The Trustee is authorized to invest the Fund in time or demand deposits of the Trustee, to the extent insured by an agency of the federal or state government; and
- (c) The Trustee is authorized to hold cash awaiting investment or distribution uninvested for a reasonable time and without liability for the payment of interest thereon.

**SECTION 7. COMMINGLING AND INVESTMENT**

The Trustee is expressly authorized in its discretion:

- (a) To transfer from time-to-time any or all of the assets of the Fund to any common, commingled, or collective trust fund created by the Trustee in which the Fund is eligible to participate, subject to all of the provisions thereof, to be commingled with the assets of other trusts participating therein; and
- (b) To purchase shares in any investment company registered under the Investment Company Act of 1940, 15 U.S.C. 80a-1 *et seq.*, including one which may be created, managed, underwritten, or to which investment advice is rendered or the shares of which are sold by the Trustee. The Trustee may vote such shares in its discretion.

**SECTION 8. EXPRESS POWERS OF TRUSTEE**

Without in any way limiting the powers and discretion conferred upon the Trustee by the other provisions of this Agreement or by law, the Trustee is expressly authorized and empowered:

- (a) To sell, exchange, convey, transfer, or otherwise dispose of any property held by it, by public or private sale. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity or expediency of any such sale or other disposition;
- (b) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;
- (c) To register any securities held in the Fund in its own name or in the name of a nominee and to hold any security in bearer form or in book entry, or to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary capacities, or to deposit or arrange for the deposit of such securities in a qualified central depository even though when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by another person or to deposit or arrange for the deposit of any securities issued by the United States Government, or any agency or instrumentality thereof, with a Federal Reserve Bank, but the books and records of the Trustee shall at all times show that all such securities are part of the Fund;
- (d) To deposit any cash in the Fund in interest-bearing accounts maintained or savings certificates issued by the Trustee, in its separate corporate capacity, or in any other banking institution affiliated with the Trustee, to the extent insured by an agency of the federal or state government; and
- (e) To compromise or otherwise adjust all claims in favor of or against the Fund.

#### **SECTION 9. TAXES AND EXPENSES**

All taxes of any kind that may be assessed or levied against or in respect of the Fund and all brokerage commissions incurred by the Fund shall be paid from the Fund. All other expenses incurred by the Trustee in connection with the administration of this Trust, including fees for legal services rendered to the Trustee, the compensation of the Trustee to the extent not paid directly by the Grantor, and all other proper charges and disbursements of the Trustee shall be paid from the Fund.

#### **SECTION 10. ADVICE COUNSEL**

The Trustee may from time-to-time consult with counsel, who may be counsel to the Grantor, with respect to any questions arising as to the construction of this Agreement or any action to be taken hereunder. The Trustee shall be fully protected, to the extent permitted by law, in acting upon the advice of counsel.

#### **SECTION 11. TRUSTEE COMPENSATION**

The Trustee shall be entitled to reasonable compensation for its services as agreed upon in writing from time-to-time with the Grantor.

#### **SECTION 12. SUCCESSOR TRUSTEE**

The Trustee may resign or the Grantor may replace the Trustee, but such resignation or replacement shall not be effective until the Grantor has appointed a successor trustee and this successor accepts the appointment. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the successor trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over to the successor trustee the funds and properties then constituting the Fund. If for any reason the Grantor cannot or does not act in the event of the resignation of the Trustee, the Trustee may apply to a court of competent

jurisdiction for the appointment of a successor trustee or for instructions. The successor trustee shall specify the date on which it assumes administration of the trust in writing sent to the Grantor and the present Trustee by certified mail ten (10) days before such change becomes effective. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this section shall be paid as provided in Section 9.

**SECTION 13.****INSTRUCTIONS TO THE TRUSTEE**

All orders, requests, and instructions by the Grantor to the trustee shall be in writing, signed by such persons as are designated in Schedule B or such other designees as the Grantor may designate by amendment to Schedule B. The Trustee shall be fully protected in acting without inquiry in accordance with the Grantor's orders, requests, and instructions. All orders, requests, and instructions by the Director to the Trustee shall be in writing, signed by the Director, and the Trustee shall act and shall be fully protected in acting in accordance with such orders, requests, and instructions. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change or a termination of the authority of any person to act on behalf of the Grantor or the Director hereunder has occurred. The Trustee shall have no duty to act in the absence of such orders, requests, and instructions from the Grantor and/or the Director, except as provided for herein.

Upon termination of the Trust, all remaining trust property, less final trust administration expenses, shall be delivered to the Grantor.

**SECTION 16.****INDEMNIFICATION**

The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, or in carrying out any directions by the Grantor or the Director issued in accordance with this Agreement. The Trustee shall be indemnified and saved harmless by the Grantor, from and against any personal liability to which the Trustee may be subjected by reason of any act or conduct in its official capacity, including all expenses reasonably incurred in its defense in the event the Grantor fails to provide such defense.

**SECTION 17.****CHOICE OF LAW**

This Agreement shall be administered, construed, and enforced according to the laws of the District of Columbia, or the Comptroller of the Currency in the case of National Association banks.

**SECTION 18.****INTERPRETATION**
